Financial Policies

I agree to pay for services rendered as the charge is incurred. I understand that health care and accident insurance policies are arrangements between an insurance carrier and myself and that I am personally responsible for payment of any and all services, covered or non-covered. If the doctor is a contracted provider for my managed care plan, I understand I am responsible for all co-payments, co-insurances, deductible and non-covered services. I also agree to pay for all copays and non-covered services after seeing the doctor. I authorize the doctor and his/her staff to release any information deemed appropriate concerning my physical condition to any insurance company, claims adjustor, case nurse, claims reviewer, employer, health care provider or attorney in order to process any claim for reimbursement or charges incurred by me as a result of the professional services rendered and hereby release him/her of any consequences thereof. I hereby authorize and direct payment of any and all medical /chiropractic expense benefits allowable to the doctor as payment toward the total charges for the professional services rendered.

If required by my health insurance policy, it is my responsibility to obtain a referral for my primary care physician prior to treatment at PWC. I also understand that if I do not have prior authorization and it is denied, I am responsible for any charges not covered by my insurance company. I understand benefits are sometimes misquoted by the insurance company.
